

Luminaire

Lipo60

04-000X-XXGXX/840, W

You will appreciate the L-Click system on the Lipo60, which effectively saves you both time and money. How? The module simply clicks into the profile, so a lot of work is saved during assembly. This solution also prevents the direct touch of the LED technology and lengthens its operating life. In addition to great power output, the luminaire also has a great price. It will find its use in commercial, social and public spaces.
